

Lake of the Woods

June 2009 Monthly Newsletter

Wigwam Resort...your destination for year round outdoor enthusiasts. Lake of the Woods is an extraordinary body of water with over 65,000 miles of shoreline and over 14,000 islands. The Wigwam Resort is located 12 miles north of Baudette, MN (Walleye Capital of the World) and is in (arguably) the best position to access both Lake of the Woods and Rainy River. We cater to groups of up to 100. We will customize a package for you that will fit your individual needs with a meeting facility, hunting, fishing, or what ever you need. Groups of 24 or more are eligible for group discounts or other incentives. As you navigate through our site, if you don't see something you would like - give us a call at (800) 448-9260 and one of our helpful staff members will accommodate you.

We have had quite a start to the 2009 summer fishing season (actually unbelievable) and we are all hoping the great fishing will continue throughout the entire summer. The DNR have done an amazing job with Lake of the Woods to make it, in my opinion, **THE BEST FRESHWATER FISHERY IN THE WORLD!** The Wigwam Resort has had the pleasure of making many new friends and hopefully life long patrons of the Wigwam Resort this summer, and I would love for that to continue for years to come. Our employees have embraced our new "customer service" mission and are starting to reap the rewards. Come on down, or up, depending on where you're from, to checkout our northern Minnesota hospitality...it will have you coming back each and every year...I will put my reputation on it. I have had so many e-mails and phone calls from guests just this month that have been so impressed and they are spreading the good word about the Wigwam Resort and its recent transformation...it's a great feeling to be able to tell the staff about each and every one...it's the best part of my job!

If you have been waiting to try a new place this summer, you now have it, Wigwam Resort on Lake of the Woods. We are your outdoor enthusiasts dream destination...paradise without the passport. Please visit us on the web at www.wigwamresortlow.com to check us out...don't forget to look at the Catch of the Day, Daily Fishing Report, Wigwam Blog and the Photo Gallery (this will really get your blood pumping). We look forward to meeting each and every one of you in the very near future.

Happy Fishing to all, and to all a good day!
