November 2009 Monthly Newsletter

Wigwam Resort on Lake of the Woods...your destination for year round outdoor enthusiasts. Lake of the Woods is an extraordinary body of water with over 65,000 miles of shoreline and over 14,000 islands. The Wigwam Resort is located 12 miles north of Baudette, MN (Walleye Capital of the World) and is in (arguably) the best position to access both Lake of the Woods and Rainy River. We cater to groups of up to 100. We will customize a package for you with a meeting facility, hunting, fishing, or what ever you need. Groups of 24 or more are eligible for group discounts or other incentives. As you navigate through our site, if you don't see something you would like, please give us a call at (800) 448-9260 and one of our helpful staff members will accommodate you.

Welcome to another edition of the Wigwam Monthly Newsletter. October was another great month here on Lake of the Woods, and the big Walleyes that were caught, pictured and released, were proof of that. The Wigwam Resort played host to a very wide diversity of fishermen this fall, from the aspiring youngster, to the season veteran, all enjoyed their experience immensely. I know that the Wigwam Resort is a fishing and hunting resort, but in my personal opinion, we sell fun and plenty of it...I see it in the faces of our guests everyday. I invite you to come and experience your "fun" with us at the Wigwam Resort on Lake of the Woods...the best freshwater fishery in the world.

November is typically a month for fall cleaning and other shut down activities, but we have been very busy and are looking forward to serving plenty of guests all the way through our upcoming deer hunting season. Oh yeah, by the way, we are still fishing on the lake and in the river, and the bite has been very good, as good as we have come to know on Lake of the Woods this time of year from years past. So where I'm going with this is, fishing in your boat isn't done and over with yet, you should have till about the 20th of November before we start getting first ice. So to all you die hard fisherman out there, you have two more weeks to get up here and experience everything that Lake of the Woods has to offer before ice.

I'm very excited about spending my first ice fishing season with the Wigwam Resort, and I invite each and everyone of you that hasn't had the chance to ever experience it to come give us a visit this winter. I have been fishing all my life and there is nothing that compares to ice fishing on Lake of the Woods, you have to experience it to believe it, you will be hooked for life, as I was.

Winter Ice Fishing is right around the corner and we are booking up quickly! If you've been one of our faithful patrons for years, or you'd like to experience it for the first time, don't wait any longer to book your trip to the Wigwam Resort, it's an experience of a lifetime! Just a little FYI to anyone that is looking to book a trip with us in December...we are almost completely booked up. We do have some availability midweek during December, but that is also limited...book now or forever hold your peace. The great word about our outstanding customer service is hitting the masses and everyone is looking for their chance to experience it for themselves, don't miss out! For additional information, please call Colleen or Stephanie at the front desk and they will answer any questions that you may have...we hope to see you soon at the Wigwam Resort on Lake of the Woods!
